People of MI v Gregory Martin Billy

Docket No. 275484

LC No. 05-008655-FH

The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED as the delivery of the postjudgment motion to the circuit court on October 25, 2006, did not constitute filing within the meaning of MCR 7.202(4) since the recipient works in the mailroom instead of the clerk's office. As the circuit court's register of actions show, the motion was actually filed the next day on October 26, 2006, so it was one day late. MCR 7.205(F)(4).
